

Tee It Up! For The GFPD 2024

*In Honor of Max Chapman
May 16-17, 2024*

Dear Friends and Sponsors,

Tee It Up! For The GFPD 2024 will take place in Normal, Illinois on May 16-17, 2024. This is the ninth annual event held in honor of our son, Max Chapman, who was diagnosed in January 2015 with a terminal genetic disease called Peroxisomal Biogenesis Disorder (PBD). Thanks to the incredible generosity of our past sponsors and participants, we've raised over \$1.2 million in the first 8 years of our event! All proceeds from the event are donated to the Global Foundation for Peroxisomal Disorders (GFPD), a 501(c)(3) non-profit organization. You are invited to join our event to help support the GFPD.

Max is a happy, loving, playful 10-year-old boy who lives in Bloomington. We are heartbroken by the diagnosis, but are inspired and determined to make a difference for Max and all of the children battling this awful disease. We truly treasure every moment we have with Max and celebrate every milestone.

PBD is extremely rare and only a few hundred children are known to be diagnosed with PBD worldwide. This degenerative disease affects all parts of Max's body, with notable impacts to his vision, hearing, liver, muscle and bone strength, and general physical development. There is currently no cure for this disease and as with many rare disorders, funding for research is limited.

Since 2016, Tee It Up! has become a community tradition attracting over 200 golfers, 400 reception attendees, and more than 100 donated auction items along with numerous sponsors, donors, and volunteers supporting our event. The money we raised has helped the GFPD fund emerging research advancements, provide crucial support to families affected by PBD, and connect those families with the leading medical experts working on this disease. To learn more about the GFPD, please visit www.thegfpd.org.

Tee It Up! For The GFPD 2024 will include a Happy Hour and Reception on Thursday evening, May 16th at Destihl Brewery & Beer Hall, a Golf Scramble on Friday, May 17th at Weibring Golf Club in Normal, IL, and an Online Auction running the week of May 12-19th. By sponsoring ***Tee It Up! For The GFPD***, your name or logo will be prominently displayed for over 600 attendees and participants, along with a large online audience of thousands more reached through our website, social media, and online marketing efforts.

There are a variety of sponsorship levels and options to provide support, including donating items for the Online Auction. We accept items or experiences of any value for the auction, including gift cards, tickets, golf experiences, or other unique merchandise or opportunities. To register, sponsor the event, or donate, go to www.teeitup4gfpd.com. Please join us in supporting the GFPD!

Thank you.

Todd & Corin Chapman
